Notices:

In the European Union Healy is a medical device for the treatment of pain in chronic pain, fibromyalgia, skeletal pain and migraine, as well as for the supportive treatment of mental illnesses such as depression, anxiety and related sleep disorders. All other applications of Healy are not recognized by conventional medicine due to lack of evidence in the sense of conventional medicine.

Healy World, with the advice of its medical advisory board, allows its Members to only make claims that are contained in company materials meant for public distribution. Please contact the company concerning any claims about which you have questions.

While Healy World endeavors to keep the information contained in these pages current, no warranty or guarantee concerning the accuracy, suitability or timeliness of information is made. Healy World is not responsible for any loss or damage resulting from the use of the information provided on these pages. All information is presented on an "as is" basis and responsibility for its interpretation and use lies solely with the user.

Healy World does not endorse nor have responsibility for the content of any other websites linked to or from this website.

The content displayed by the HealAdvisor App does not constitute medical advice, which can only be provided by a medical professional. The Healy programs and other advice are recommendations that depend on user input. If you have or suspect you may have a medical condition, or if you are under the care of a healthcare professional, you should consult your practitioner before following these recommendations.

The content displayed by the HealAdvisor App does not constitute medical advice, which can only be provided by a medical professional. The Healy Individualized Microcurrent Frequency programs are intended solely for harmonization of the Bioenergetic Field. If you have or suspect you may have a medical condition, or if you are under the care of a healthcare professional, you should consult your practitioner before following these recommendations. Any personal data you upload to the HealAdvisor Cloud is encrypted to protect your privacy.

The content displayed by the Digital Nutrition App ("DNA" for short*) does not constitute medical advice, which can only be provided by a medical professional.

The substances, foods and Healy programs displayed are recommendations that depend on user input. If you have or suspect food intolerances, allergies, deficiencies or medical conditions, or if a supplement regimen has been recommended by a health practitioner, you should consult a physician or other healthcare professional before following these recommendations.

* "DNA" stands for "Digital Nutrition App" and should not be confused with genetic testing, which is not provided by Healy. Healy Watch is intended to support vitality and well-being, and is not a substitute for medical advice, which can only be provided by a medical professional. The physiological measurements displayed on Healy Watch and in the Healy Watch App are designed to help you develop healthier habits and meet your fitness and wellness goals, to guide you in using the programs available in your Healy, and to alert you to information that may make a consultation with a healthcare provider appropriate. The Healy Individualized Microcurrent Frequency programs are intended solely for harmonization of the Bioenergetic Field. No claims are made that Healy Watch or Healy Watch App readings are diagnostic of the presence or absence of any medical conditions.
