Le rôle des émotions

The diagram illustrates a process flow. On the left, a vertical stack of three boxes contains the words "Pensées", "Emotions", and "Corps". Two red arrows point from the "Pensées" and "Emotions" boxes to a larger box on the right. This right-hand box is divided into two sections: the top section contains "Objectif clair et précis" and the bottom section contains "Motivation ardente et soutenue". Below this box is a stylized illustration of a human brain. At the bottom right of the slide area, the logo for "institut cassiopée" is displayed.
