

L'Art Nouveau

Le mouvement de l'Art Nouveau est né entre la fin du ^{XIX}^{ème} siècle et le début du ^{XX}^{ème} siècle. Ses lignes et ses courbes sont fortement inspirées de la nature, influencé par le Japonisme. L'Art Nouveau s'est décliné sur de multiples supports comme la peinture (Louis Guingot, Jules Chéret), la joaillerie (Rosenthal, René Lalique), l'architecture (Antoni Gaudi, Hector Guimard), le mobilier (Gustave Serurier-Bovy, Orivit) et les arts graphiques (Alfons Mucha, Gaspar Camps).
